Demo IndexFlex UL

Demo IndexFlex UL Product Guide

Flexible-Premium Indexed Universal Life

Effective Date: January 1, 2026

Jurisdiction: California

Document ID: doc_indexflex_ul_v1

This demonstration document describes a fictional product. It does not constitute an offer, a quotation, an illustration, a suitability determination, tax advice, legal advice, or an insurance recommendation. All products, carriers and figures are fictional.

Overview and Death Benefit Options

Product Type	Flexible-Premium Indexed Universal Life
Minimum Face Amount	\$100,000
Premiums	Flexible, subject to policy minimums and tax-law maximums.

Death Benefit Options

- Option A — level death benefit
- Option B — increasing death benefit

Eligibility, Premium Flexibility and Five-Year No-Lapse Guarantee

Issue Ages	0–75
Premiums	Flexible, subject to policy minimums and tax-law maximums.

Five-Year No-Lapse Guarantee

Five-Year No-Lapse Guarantee if the required minimum monthly premium is paid.

Fixed Account and Charges

Fixed Account

Current Rate	4.00%
Guaranteed Minimum Rate	2.00%

Policy Charges

Premium Charge	6% of each premium
Policy Fee	\$10 monthly
Unit Charge	Monthly per-\$1,000 charge during first 10 policy years.
Cost of Insurance	Monthly cost of insurance based on attained age; guaranteed maximum COI appears in the policy schedule.

Indexed Account Mechanics

The indexed account is linked to a major U.S. large-cap equity index (excluding dividends), referred to as the “Index”.

Annual point-to-point method linked to the Index, excluding dividends.

Floor	0.00% guaranteed
Cap	9.50% current; guaranteed minimum cap 3.00%
Participation Rate	100% current; guaranteed minimum 50%

Current caps and participation rates are declared by the carrier and may change for future segments.

Surrender Charge Schedule, Loans and Withdrawals

Applies during first 10 policy years. The charge is per \$1,000 of face amount.

Surrender Charge Schedule (per \$1,000 of face amount)

Policy Year	1	2	3	4	5	6	7	8	9	10	11+
Charge	\$18	\$16	\$14	\$12	\$10	\$8	\$6	\$4	\$2	\$1	\$0

Loans

Fixed loan rate 5.00%; available after policy year 1.

Withdrawals

Minimum partial withdrawal \$500; withdrawals reduce death benefit and cash value.

Riders

Accelerated Death Benefit

Terminal and chronic illness. See policy terms.

Overloan Protection

Overloan Protection. See policy terms.

Waiver of Monthly Deductions

Disability. See policy terms.

Disclosures

Personalized Illustration

Guaranteed and non-guaranteed columns must be shown in a personalized illustration.

Projected cash values are available only in a personalized illustration and are not shown in this guide.

Non-Guaranteed Elements

- Index crediting
- current cap
- current participation rate
- current COI
- current fixed-account rate

Exclusions and Limitations

Suicide within two years results in a refund of premiums paid. A two-year contestability period applies. Material misrepresentation may affect coverage.

Important Notes

- Not a security.
- Not a direct investment in an index or stock market.
- Policy values depend on policy-specific charges, costs and crediting.
